INTRODUCING THE FINAL PACKAGE OF ROUTES AND SCHEDULES FOR KAT REIMAGINED

Background: The Knoxville Transportation Authority approved the Recommended Network for the KAT Reimagined Plan. This included a new route network, expanded services on weekends, and more frequent service on many routes, and was based upon extensive public input.

These are the detailed routes and timetables for the proposed KAT Reimagined Network. Changes from the originally-approved plan include:

- The addition of Target to the Route 23 – Millertown service
- 30-minute frequency on weekdays on Route 37 – Morningside/Riverside
- The addition of Route 10 – Sequoyah Hills during weekday peak
- The addition of a Knoxville Station platform drop-off for the Downtown Connector outbound

Additional changes made at the April 25, 2024 Knoxville Transportation Authority Meeting include:

- Timepoint changes to the first two inbound trips on weekdays on Route 22 – Broadway to arrive at :15 after the hour
- Service directly to Flenniken Landing Apartments on Route 45 - Vestal

Additional items to note with the plan:

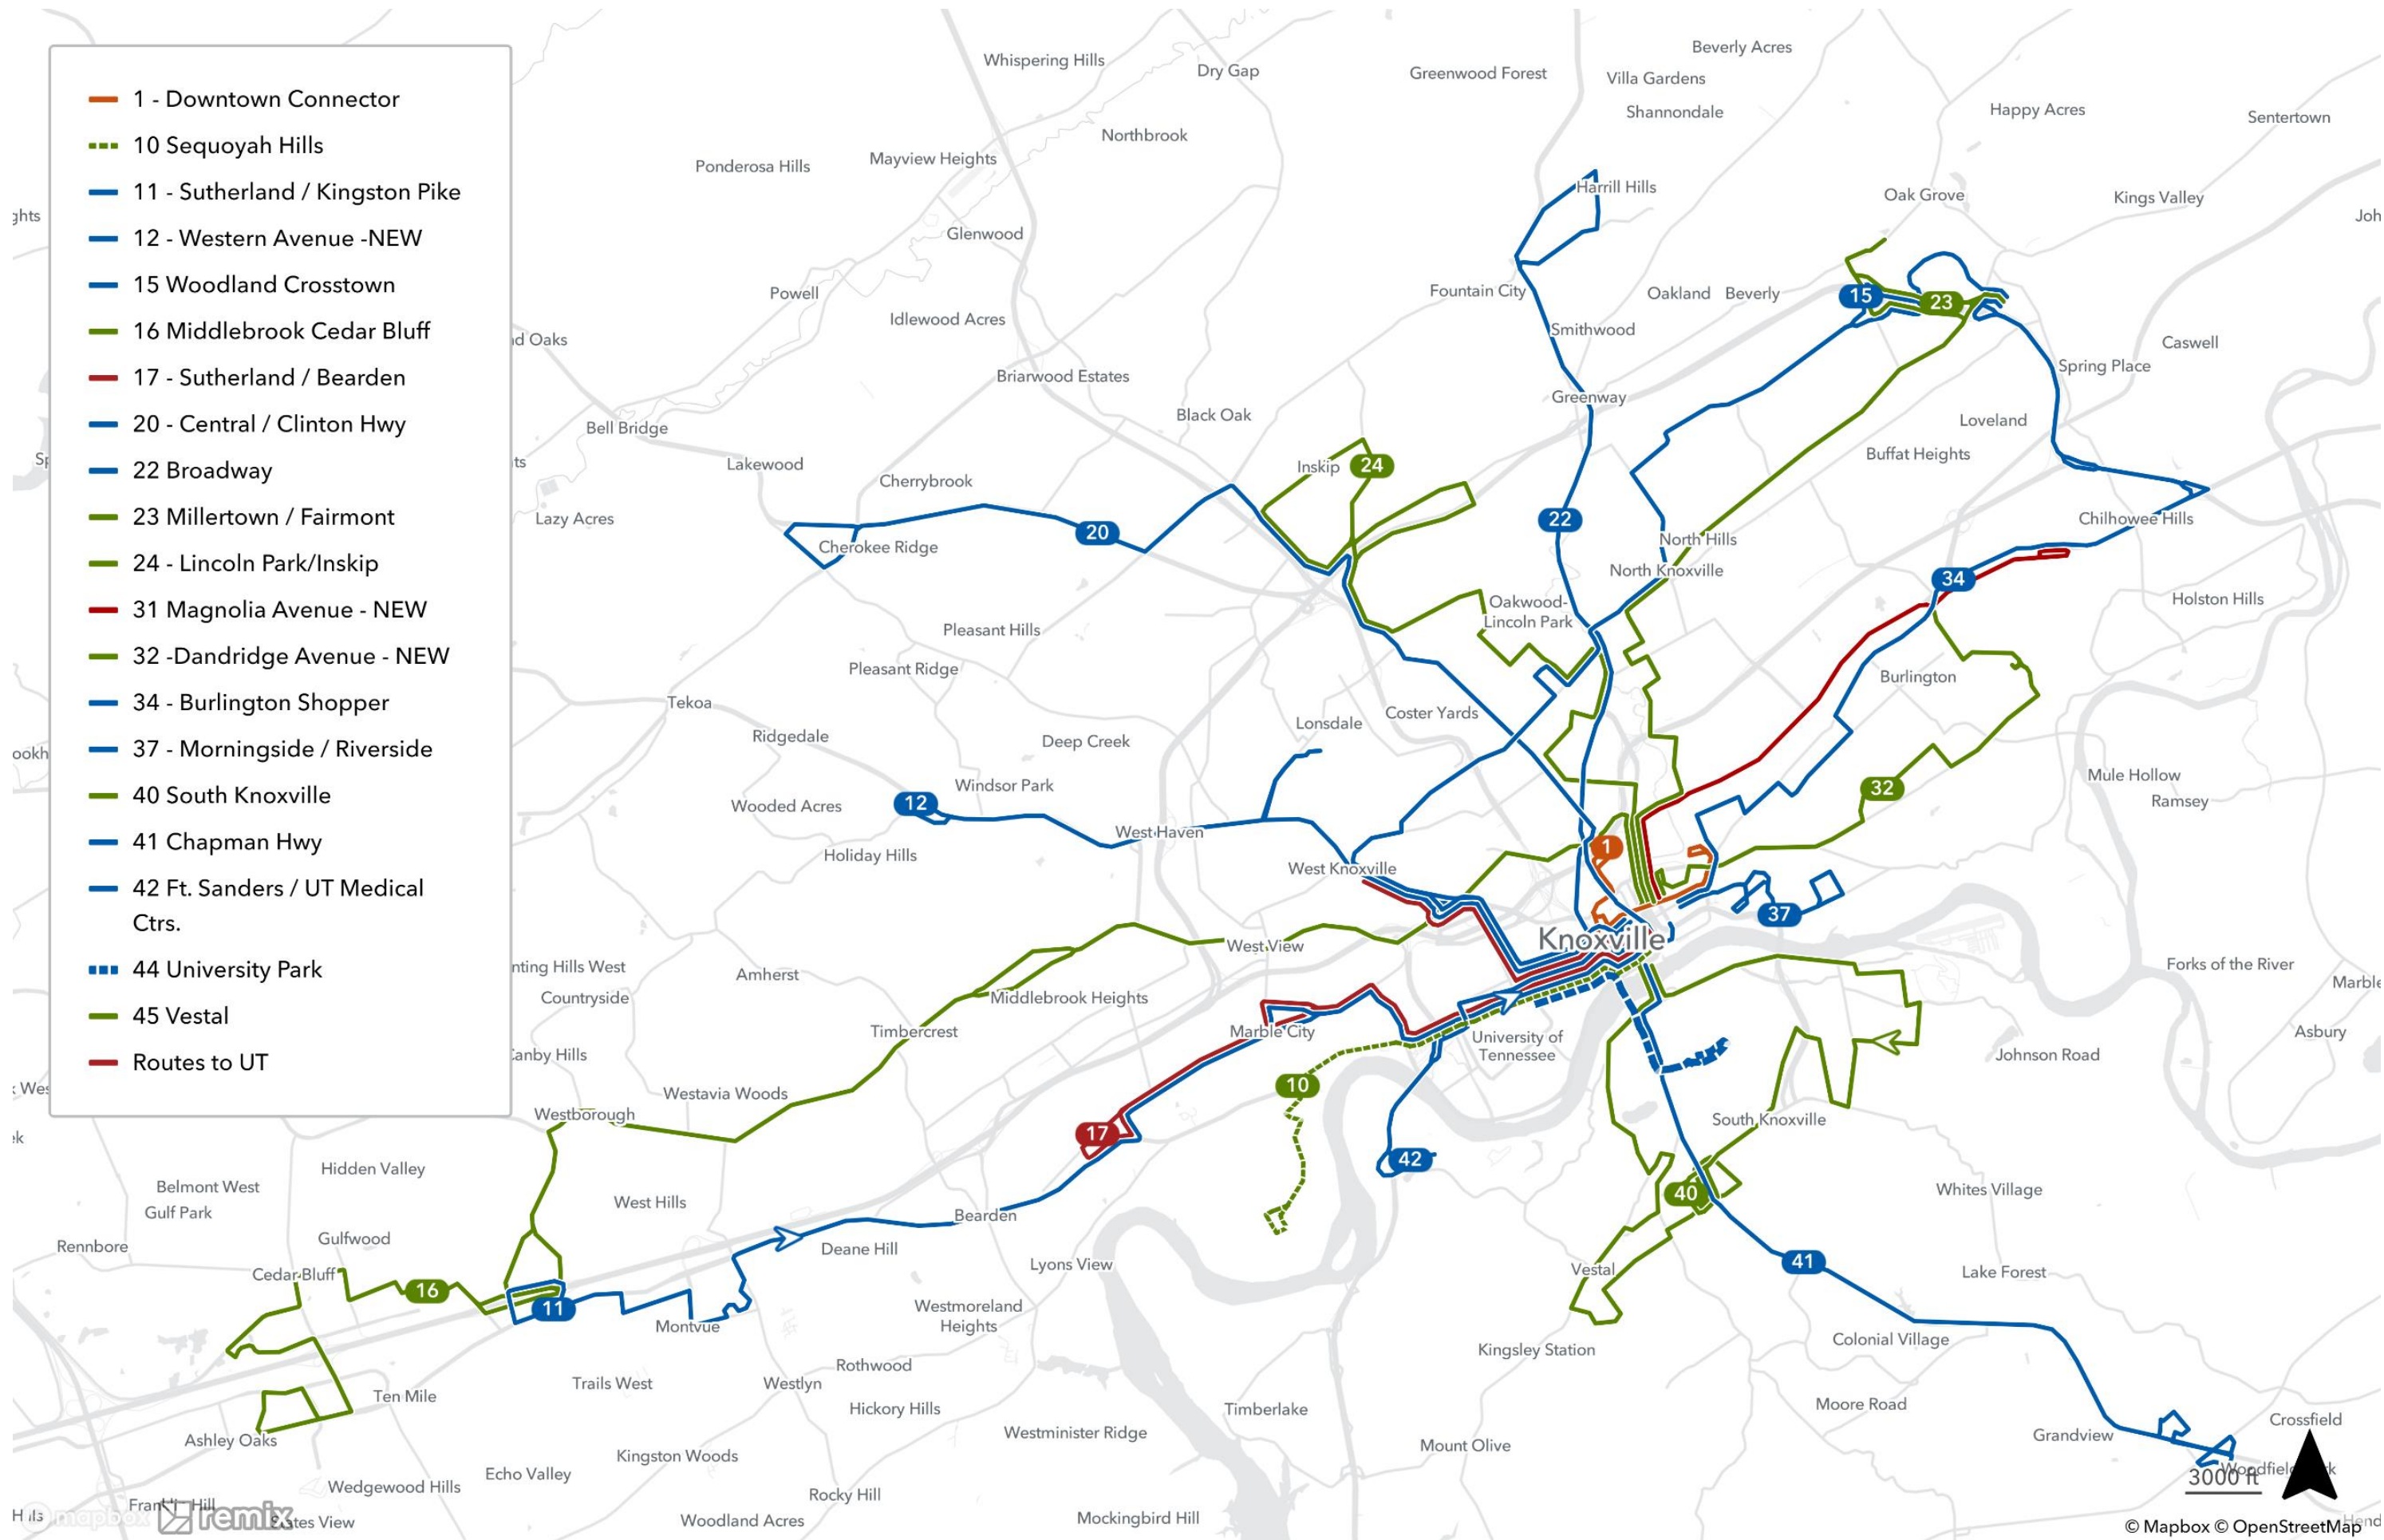

1. The Lift service area will remain the same.
2. The Route 1 – Downtown Connector will operate on regular fares

The following 20 routes are included in the KAT Reimagined Network, and each route and timetable are enclosed in this packet. *Routes that are in red on maps indicate a higher frequency during weekdays (15 minutes), routes that are blue indicate 30-minute service, and green routes indicate 60-minute service.*
